

**Internet / Web Broadcast / Podcasting Release  
For Music Inclusion in [www.podgrrls.net](http://www.podgrrls.net) Mixed Podcasts**

Artist: \_\_\_\_\_

Album: \_\_\_\_\_

I, the above signed artist, hereby grant permission to **www.podgrrls.net** to podcast/play songs from the album/collection indicated above, over the internet without payment to me or any performing rights organization of any royalties. This release applies only to songs broadcast/podcast over the internet on **www.podgrrls.net**. This release does not apply to air, cable, satellite, or any other form of broadcast.

I understand that when individuals download a podcast episode from **www.podgrrls.net**, which includes one of my songs, they are technically making a digital copy of the song, along with all of the others in the mix. I also understand that, while it is not very easy to do, and it's not very convenient, and it is contrary to the usual "use cases" of podcasts, it is possible for individuals to extract my song from the mix on **www.podgrrls.net**, and duplicate or use it in other ways which I cannot control. I accept this risk as a part of podcasting, and I understand that podcasting is not fool-proof in protecting my copyrighted material 100%. I understand that broadcasting music via the internet faces its own set of copyright challenges, and I accept these risks with the understanding that the staff of **www.podgrrls.net** will take diligent and appropriate steps to prevent piracy and copyright infringement of my work.

This release is solely for the album listed above. Songs from this album may not be made available for individual download or other individual digital copying by any person or entity to whom I have not granted express written permission. Individual songs from the album listed above will not be sold or otherwise individually licensed for pay by **www.podgrrls.net** without the artist's written permission.

I hereby represent that I am the sole copyright owner of the album listed above and I am fully empowered and entitled to grant this Release, and that I am doing so of my own free will without coercion of any kind.

Absent a signed physical copy of this Release, I agree that an e-mail to **info@podgrrls.net** stating that I agree with the terms of this Release for the album I indicate, will also suffice as my "signed" Release, so that my work can be included in the **www.podgrrls.net** podcast mix.
